60th Anniversary Membership Drive

Northwood Swim and Tennis is very excited to have been a part of the North End Community for *SIXTY* years! This is the perfect time to tell your friends and co-workers about the *hidden gem* in their community.

New this year: a new pricing structure for NEW members. The Board of Directors proposed a new pricing structure to do away with the refundable membership fee and institute a non-refundable membership fee for new members. New members joining in 2017 will pay a \$299 non-refundable fee and their yearly dues. This new pricing structure was passed by the General Membership at the meeting held on November 6th.

Strive for 60 new members: The Board of Directors is shooting for 60 new members in our 60th year. We need YOUR help to reach this goal!

Committee Needs

Northwood is run by a volunteer board and we need your help. If you would like to be a part of any of our committees, please let the committee chair know.
